### PRINCIPAL'S MESSAGE

Last Thursday students were acknowledged for their positive contribution to our school at our Term One Positive Behaviour for Learning Welfare Assembly. Congratulations to all PBL recipients who continue to demonstrate the values of Learning, Responsibility and Safety. Special congratulations must go to the entire student body who reached the second step to success at this assembly and were all rewarded with an ice cream treat. Great work everybody.

Today Learning Journals have been sent home and I encourage you to take the time to share the work samples provided with your child. Learning Journals provide samples of the types of activities students are involved in and the level of competency they displays in specific areas. Please remember these samples are a snapshot in time and for more detailed information about your child's progress you are encouraged to make an appointment with the class teacher.

A mammoth amount of sporting activities continue to take place and students are to be congratulated on their sportsmanship, behaviour and achievements. Joshua Elworthy took part in hockey selection trials at Albury last week and was selected in the Riverina team which will compete at the NSW PSSA Hockey Carnival to be held at Lynham, ACT in June. A fantastic effort, Joshua.

Jock Triggs took part in ALF selection trials at Jerilderie last Friday and was selected in the Riverina team and will now compete at the State Championships being held in Ryde from 20-22 May 2014. Congratulations and fantastic effort, Jock.

On Tuesday Gundagai Public School will have the chance to showcase more of its sporting talents when both netball and rugby league teams travel to Tumut. We will be extremely well represented at the Netball NSW 'Netball Cup' with two teams participating in the round robin competition. Best of luck girls.

Our senior boys are also looking forward to taking part in the Highlands Rugby League Trials and we wish the boys all the best.

The rescheduled Trent Barrett Shield will be played in Gundagai this Thursday and I know all involved have been training hard and will represent our school with pride.

I hope all students, families and staff have a safe and happy holiday and enjoy the well-earned break. I look forward to seeing students join us as eager and enthusiastic as ever, on Tuesday the 29<sup>th</sup> April. Be prepared! Already it is shaping up to be a very exciting term.
