PRINCIPAL'S MESSAGE

Last Thursday evening staff from Gundagai Public School joined with over 80 of their colleagues at a Community of Schools learning forum in Tumut. This forum aimed at providing opportunities for all personnel working in our local schools to come together to network, further develop their skills and to listen to a variety of guest speakers. Learning with and from our colleagues is a very powerful way to improve the way we can support both parents and students each and every day at school.

Today we welcome Jarrod Crane to our school. Mr Crane is currently in his third year of a Bachelor of Education degree at Charles Sturt University and will be completing a five week practicum with Mr Wheaton and Year 3. We are delighted to have him on board!

Last week we welcomed Deagan McKecknie to the Gundagai Public School learning community. Deagan is in Kindergarten. We are looking forward to getting to know him and help him settle into our school.

WALK SAFELY TO SCHOOL

Walk Safely To School Day is always enthusiastically supported by Gundagai Public and we are all excited about being able to do it again this year. Walk Safely To School Day is a national annual event encouraging students to adhere to road safety rules when commuting to school.

We hope to see as many students as possible catch the "Gundagai Public Walking Bus" on Friday 22nd May, which departs Carberry Park at 8:30 am. The "bus" will pick up students along the way and arrive at school where breakfast can be purchased.

A reminder that breakfast orders are due in tomorrow, Tuesday 19th May.

As always, parents are most welcome to participate in this day.
