PRINCIPALS MESSAGE

Gundagai Public School continues to provide high quality educational opportunities for every child every day. Recently numerous extra curricula opportunities have supplemented those opportunities in the classroom.

Each Friday the Milo Into Cricket Skills Cricket Program sees each class participating in a gross motor and fundamental movement skills program under the guidance of an accredited NSW cricket staff member. Last Thursday almost all students from Years 3, 4, 5 and 6 chose to take part in the Blast Cricket Gala Day held at Stan Crowe oval and had a great day playing cricket in a relaxed and friendly environment. Last Friday our school choir sang beautifully at the Spring Flower Show and those who love to perform and entertain have the opportunity to audition for our annual talent quest this week.

The warmer weather sees the Garden Club becoming fully operational again during second half lunch on Tuesdays and Wednesdays. This Tuesday Stage 2 students will attend the Borambola Sport and Recreation Centre for an action packed day of adventure which will include rock climbing, kayaking, archery and BMX riding. On this same day Stage One students will visit the Riverina Environmental Education Centre and explore the natural environment and engage in many hands on activities. This Sunday almost all of our Stage 3 students set off on an exciting, challenging and fulfilled week at Sydney Academy of Sport at Narrabeen.

We are very proud of these extra curricula opportunities given to our students and appreciate the commitment from staff who readily give up their time and parents who find the time and finances to support such wonderful opportunities.

MUSIC- COUNT US IN

This year marks the 10th anniversary of Music-Count Us In. At 12.30 pm our Gundagai Public School students will join with over half a million school students from 2100 schools nationwide, to sing the same song, on the same day at the same time.

The 2016 Music Count Us In song is "Let It Play" and students from our school have been learning it as part of their music program so they can join in this special occasion. To help mark the 10th anniversary of the event we are delighted to have a special guest artist performing with our school this year.

As Music Count Us In occurs just before our school assembly we hope visitors can come along a little early this Thursday and join in at 12.30 pm.
