### PRINCIPALS REPORT

Students from our school continue to engage in numerous extra curricula activities and programs which supports their learning and encourages them to be active and informed citizens. For these programs to be successful we need highly motivated students, committed teachers and a solid parent body who will support these endeavours and assist in many ways, particularly transport. Gundagai Public School is very excited about the various opportunities it can offer students, appreciative of the way you embrace these opportunities and proud of the way you represent our school with pride.
