Active Play

Gundagai Public School

This week the team from A_Space Australia will begin the installation on our brand-new active play circuit! The new playground takes inspiration from the popular Australian Ninja Warrior series but retains elements of a traditional play gym also. The active play circuit will be located adjacent to the new half-court basketball setup below the soccer field and will provide an additional play space for our primary students during recess and lunch, but for all classes during fruit break, PE, and sport. We cannot wait to see the finished product. I am sure there will be some very keen students ready to test themselves on the new course!

SPORTS UPDATE

SCHOOL CROSS COUNTRY

Congratulations to everyone involved in our School Cross Country last Friday. It was a wonderful opportunity for students, staff, parents, families, and friends to come together and enjoy the spirit of our school. All students put in a tremendous effort completing the cross-country course. The healthy competition and camaraderie demonstrated by the students contributed to the supportive, friendly, and unified tone of the day.

A big thank you must go to the P&C who coordinated the barbeque lunch, and the parents who helped with organisation and service on the day, and to everyone who sent in the tasty cakes and slices to sell. Your efforts were very much appreciated and really made the day a special one.

This Friday, students who placed in the top four in the age groups from 8/9 years to 12 years, will have the opportunity to compete in the Highlands Cross Country carnival. This will be held here in Gundagai at the Racecourse. A note for successful students will be sent via Compass.

PSSA TOUCH FOOTBALL

Today, our boys and girls PSSA Touch Football teams took on Temora Public School in the NSW PSSA knockout. Both games were highly entertaining, with some cracking tries scored and athletic touches made. Unfortunately, both teams were unsuccessful in making it through to the next stage of competition.
