

### KINDERGARTEN TRANSITION

Last Wednesday, our 2025 Kindergarten enjoyed their second transition to school day. This transition focused on the theme of the sea and saw our new kindies enjoying stories, craft and outdoor games. At recess, our new kindies explored our range of equipment and play spaces within the school, where they were joined by friends and family, testing their balance, hand-eye coordination, and ball skills. We cannot wait for this Thursday when our 2025 kindergarten students will take part in their final transition session. See you all on Thursday at 9:30am

### JINDABYNE EXCURSION

Today, our Stage 3 students and their teachers waved goodbye to Gundagai for the week as they headed off on their Jindabyne Excursion. This is our first time heading to the sport and recreation camp in Jindabyne, and we are all very excited to spend the week in the high country enjoying everything that the region has to offer. Our students will enjoy activities such as: initiatives, archery, regaining, canoeing, and the Kosciuszko Walk from Thredbo to Mount Kosciuszko. Enjoy the week away Stage 3, what an experience!

## Student of the Week

### SRC GARDENING

Last Friday, our Student Representative Council members traded their school uniforms for their work gear, as they worked on some maintenance, and planting in our environmental area. The hard-working team of gardeners did a fantastic job of clearing, transporting mulch, planting out vegie patches, and finishing off our new and improved chook area. What an awesome student led project, and what beautiful results!

### BOOKFAIR

A huge thankyou to everyone who supported the Book Fair last week! We sold \$4364 worth of books. The library now has \$1035 commission from sales which will be spent on new books for our students to enjoy.

The winners of the Book Fair colouring competition were Maisie Wilks, Zandah Britt, Indy Murdoch and Jasmine Bowditch. They each received a voucher to spend at the Book Fair.
