RIVERINA DEBATING

Year 6 student Amelia Kerr headed to Sydney on the weekend as a member of the Riverina Debating Team to compete in the State championships from Sunday to Wednesday. Amelia's selection in the team is recognition of her outstanding public speaking and writing skills. Over the days Amelia and her teammates from Turvey Park, Lake Cargelligo and Deniliquin North will compete against the best primary school debaters from across NSW. The GPS community is very proud of Amelia's achievement and wishes her the best!

YEAR 7 TRANSITION

Year 6 thoroughly enjoyed their first transition to high school session at Gundagai High School last Wednesday afternoon. Here, they got a taste of what life at high school is all about. They conducted science experiments, participated in wood and metal work, and spent some time in the English department. Year 6 are looking forward to their next session this Wednesday afternoon.

SCIENCE DAY

Next Thursday, GPS will be full of excitement as the SRC hosts a Science Day, a celebration of curiosity and discovery. Students from all year groups will participate in hands-on experiments, interactive lessons, and captivating demonstrations led by our teachers. From exploring the wonders of space to experimenting with chemical reactions, the day promises to spark young minds with the magic of science.
