OOSH DEMAND

We would like to extend our sincere thanks to all the parents and families who voiced their need for an Out of School Hours (OOSH) service in Gundagai. The Department of Education reported an excellent response rate, highlighting the strong demand within our community.

I will be meeting with the Department of Education Delivery Team on Friday to discuss the survey findings. Your input has been invaluable in demonstrating the need for this service, and we appreciate the time and effort taken to complete the survey.

We will keep families updated on any developments following these discussions. Thank you again for your support in advocating for this important service!

EASTER EGG RAFFLE

A big shoutout to our amazing families for their generous support of the P&C Easter Out of Uniform Day! Your incredible donations of eggs and baskets are truly appreciated and will help us put together some fantastic Easter hampers for our upcoming raffle.

The raffle will be drawn at the conclusion of the Infants Easter Eggstravaganza on Wednesday, 9 April, at approximately 11:00 am. Raffle books are being sent home with students today. If you need extra books to sell, please contact the office.

Your kindness and support make a huge difference—we're so grateful to be part of such a wonderful school community.
