### STAGE 2 CANBERRA EXCURSION

Today, our Years 3 and 4 students set off on an exciting excursion to Canberra, visiting both the Australian War Memorial and Questacon.

At the War Memorial, students took part in the *We Will Remember Them* education program—a meaningful and respectful experience that allowed them to learn more about Australia's military history and pay tribute to those who have served.

The afternoon was spent exploring Questacon, where students had the chance to dive into the world of science through a range of hands-on exhibits and interactive displays. From experiencing the Earthquake House to testing their reaction times, there was something to spark every curious mind. Laughter, learning, and wide-eyed wonder were in abundance as students engaged with the many fascinating activities on offer.

It was a fantastic day filled with learning, discovery, and lasting memories!
